

◆ Medlemsveckan

Members week has been and what a week it was. We have had the privilege to meet you guys at lunchbreaks and through social media. We say welcome to all new members and a big thank you to all you old members. During the week we have had competitions on instagrams where the competitors gave their best tips for lunches and studying. Here are some of them, more or less good!

- ◆ Trade lunchbox with a friend so you don't have to have the same boring lunch every day.
- ◆ Gratinated fish that been microwaved for a long time in the most occupied lunchroom and
- ◆ see to that you and your friends (if they stick around) will have a lot of space!
Have a spork in your bag or your pen case for when you forget cutlery.

- ◆ Learn everything so you know everything.
