### Welcome to fall semester '21

First and foremost: welcome to the Faculty of Medicine and Health Sciences all new students and welcome back all older students!

### Who are we?

Consensus is the Faculty of Medicine's student union and we represent almost 3,000 students at 9 sections in all forms of formal and informal bodies. The aspiration is that nothing should happen at MedFak without a student being involved - we insure your study time.

### Student union building Örat

We are happy to finally be able to open up the student union building Örat again! Café Örat will be open M-F at 9am to 3pm from September 20th. You can buy coffee at an extra favorable student price at Örat as a member. The first pub for this semester will be held on Friday September the 17th. Come and join us at 3pm.

### "About university studies"

The platform "about university studies" is now available to you students at MedFak.

There you will find useful information about PBL, study techniques, support functions and tips on how to make the best use of digital teaching. You can find it on Lisams homepage or in your course rooms.

### Consensus x HEDVIG

For the fourth semester in a row, we have come up with an awesome offer together with Hedvig - Sweden's most popular home insurance among students! Right now you'll get your union fee paid for free if you get Hedvig! Hedvig offers all the protection you need from 49 SEK a month. Home insurance is completely digital and therefore members get quick help and compensation within minutes if the accident occurs. "Drulle" is always included, Hedvig have the industry's most generous compensation for electronics and they have Sweden's only home insurance without a commitment period! A new approach to insurance.

All you have to do is sign up for Hedvig and then state that you are a member when you pay for the union membership! It's that simple. Read more and take advantage of the offer on our joint website [www.hedvig.com/partner/consensus](http://www.hedvig.com/partner/consensus)

### Painting of märkesbacken

Students in section boards, faddrar and festerister gathered together to paint their beautiful logos on märkesbacken on US and in Norrköping before the semester started.

### Reception "nolle-p"

The fall reception period (called nolle-p) is coming to an end. We would like to extend a big thank you to all faddrar who arranged the reception and welcomed the new students. The Consensus board has also gotten a chance to introduce us to several groups - so fun!

### KALAS

The Kalas reception is the final of the fall reception at Linköping University (LiU). This year, the Kalas reception will be a digital show hosted by Clara Henry. It will be an evening of music, contests and special guest in aspiration to bring you an entertaining and educational show!

### Fattigfrukost to-go

We can, finally, start serving fattigfrukost again! Fattigfrukost is a cherished tradition at MedFak where Consensus treat the members to breakfast the last week before the student aid arrives. This fattigfrukost will be a to-go version to follow the current restrictions.

**Linköping:** Wednesday September 22nd

**Norrköping:** Thursday September 23rd

*Keep an eye on our social media for more info!*

### Council

The Consensus council is Consensus' highest decision-making body, a bit like the student union's parliament. Members are welcome at council meetings, but only FUM-board members (selected by each section) have the right to vote.

This semester's first FUM will be held on Thursday, September 23rd.

### Studentlivet

Studentlivet.se is a platform for information in the student social life at Linköping University.
